

GOODBOY SPONSORSHIP

November 10, 2024, 4 p.m. – 6 p.m.
Phoenix Theatre State Wayne
35310 Michigan Ave, Wayne, MI 48184

In this documentary, an adventurous photographer attempts to outrun her beloved dog's death and stumbles into the haunting childhood memories of her dying Father. Facing the painful decision on how to handle the dog's life, she must reconcile her fear of death and herself learn how to sit, stay, and heal.

"GOODBOY" is a poignant and deeply personal exploration of the bonds that tie us to our loved ones, both human and animal, and the ways in which we must learn to navigate our cultural deep-seated fear of death and dying.

This fundraiser and vulnerable experience is to put a spotlight on a topic most of us never want to talk about, the loss of a loved one, the grief we experience, and learning to let go.

Individual tickets will cost \$30 to attend the showing of GOODBOY, with a panel of guests to follow to have a substantive and vulnerable discussion on loss which includes the Director herself, Ashley Mosher.

Friends for Animals of Metro Detroit was founded in 1993 by inspired volunteers who believed that homeless animals in our region deserve a second chance at life. Building on our strong sense of animal welfare, Friends for Animals has grown in the past 30 years to an organization of great impact in the companion animal welfare community. We are a 501(c)(3) tax-exempt, nonprofit organization. Every year, our dedicated staff and volunteers love and care for thousands of animals who find refuge at our shelter. All animals adopted from Friends for Animals are vaccinated, spayed or neutered, and microchipped for identification.
