Friends for Animals of Metro Detroit was founded in 1993 by inspired volunteers who believed that homeless animals in our region deserve a second chance at life. Building on our strong sense of animal welfare, Friends for Animals has grown in the past 30 years to an organization of great impact in the companion animal welfare community. We are a 501(c)(3) tax-exempt, nonprofit organization. Every year, our dedicated staff and volunteers love and care for thousands of animals who find refuge at our shelter. All animals adopted from Friends for Animals are vaccinated, spayed or neutered, and microchipped for identification.
